Sonia,

Thanks for looking over the attached one-pager on this meeting and discussing with Travis.

As we discussed, this is yet another great opportunity to engage with national sportsmen leaders around the rivers and wetlands messaging you guys are putting out. At the end of the meeting, we'd like these folks to have the latest info your office can offer and encourage them to message to their large memberships particularly around the educational aspects since WOUS is not yet ready for primetime.

I will be out of the office on Mon, but will be working from my alternative work location. If you have any questions, call my bb: 202-295-7507. Dru will be running the meeting from OPE's side and just keep us informed if it will be Ken Kopocis, Dave Evans, or others from OW who will lead since Nancy is out of the office.

Thanks again and have a great weekend!
